What is a C32 Steel Battery Cabinet?

The Certo C32 Steel Battery Cabinet from Cooper Power is a compact, high-quality enclosure designed to house 32 x 100Ah battery. Ideal for small-scale UPS or inverter installations, the C32 offers a clean, professional look while providing maximum protection and easy access.

What is a C32 battery?

Ideal for small-scale UPS or inverter installations, the C32 offers a clean, professional look while providing maximum protection and easy access. Manufactured from durable, powder-coated steel, the C32 is built to ensure battery safety, ventilation, and security.

What is a battery cabinet?

A battery cabinet houses and protects the batteries that supply stored energy to a UPS system. It ensures that backup power is readily available whenever primary power is interrupted. Battery cabinets can be installed indoors or outdoors and are designed to provide secure, organized, and scalable energy storage for continuous power delivery.

What is a global power supply battery cabinet?

Global Power Supply provides a full range of battery cabinets engineered to extend UPS runtime, protect sensitive loads, and maintain continuity in any environment. A UPS system provides immediate backup power during an outage. Paired with compatible UPS battery cabinets, your facility gains extended power capacity and greater resilience.
