Where can I buy solar panels in bulk?

Buying in bulk by pallet or container lets you lock in better prices per watt, simplify logistics, and get equipment from trusted brands in one place. A1 SolarStore is a solar marketplace where you can buy wholesale solar panels in pallets or full container loads for residential and commercial projects.

Why should you buy bulk solar panels by the pallet?

Unlock incredible savings with our bulk solar panels by the pallet. Whether you're a solar installer, a commercial developer, or an avid DIY enthusiast, our pallet deals offer unbeatable value and convenience. With a large quantity of high-quality solar panels at your disposal, you can tackle projects of any scale with ease.

Should you buy solar panels wholesale?

Buying solar panels wholesale significantly reduces the cost per watt compared to purchasing small batches at retail prices. Bulk orders also ensure you have enough inventory for ongoing projects, avoiding delays and last-minute substitutions.

Can I order solar modules by pallet or container?

Fewer shipments and simplified logistics when you order by pallet or container. Support from a team that works daily with installers and distributors. On the A1 SolarStore page, modules are offered both by pallet and by full container (truckload), so you can match the format to the scale of your business.
