Does Germany have a solar-plus-storage innovation tender?

Image: Baywa r.e. The German Federal Network Agency (Bundesnetzagentur) has awarded 587MW of solar-plus-storage in its latest Innovation Tender. As has been the case in many of Germany's recent solar PV auctions, the Innovation Tender ended up oversubscribed, with 154 bids made for 1.8GW of capacity out of 583MW tendered capacity.

How much does a photovoltaic project cost in Germany?

The German Federal Network Agency (Bundesnetzagentur) received bids totaling over 2 GW in its latest innovation tender, which is open to renewable energy projects incorporating storage systems, among others. The awarded tariffs for combined photovoltaic and storage projects ranged from EUR0.0500 to EUR0.0639 per kWh.

Will Germany tender a further 5GW of gas-fired power plants?

For the second and final tranche, the government will competitively tender a further 5GW of capacity from gas-fired power plants. BMWK noted that this set of procurements comes ahead of the introduction of Germany's new capacity market mechanism, planned to start in 2028.

When will Germany's new capacity market mechanism start?

BMWK noted that this set of procurements comes ahead of the introduction of Germany's new capacity market mechanism, planned to start in 2028. The LDES tenders had originally been anticipated to be held late this year and in 2025, but it is understood the timeframe has moved back a year.

The German Federal Network Agency (Bundesnetzagentur) received bids totaling over 2 GW in its latest innovation tender, which is open to renewable energy projects incorporating storage ...

This latest tender demonstrates the increasing role of battery storage systems in Germany's renewable energy landscape, supporting grid flexibility, improving energy reliability, ...

German government opens public consultation on new frameworks to procure energy resources, including long-duration energy storage (LDES).

Search all the battery energy storage system (BESS) projects, bids, RFPs, ICBs, tenders, government contracts, and awards in Germany with our comprehensive online database.
