Will Hainan free trade port be a key gateway to China's new era?

China's Vice Premier He Lifeng called on local officials to "build Hainan Free Trade Port into a vital gateway leading China's new era of opening up to the world," during a speech at the port.

What is the Hainan free trade port law?

On 10 June 2021, the 29th meeting of the Standing Committee of the 13th National People's Congress passed the Hainan Free Trade Port Law of the People's Republic of China, which determined to establish and improve the Hainan Free Trade Port customs supervision special zone system with closed-off customs operations on the entire island.

Is Hainan China's most ambitious experiment in free trade & economic openness?

As global trade faces rising tariffs and growing protectionism, China is moving in the opposite direction by opening one of its doors wider. That door is Hainan, a tropical island now being positioned as China's most ambitious experiment in free trade and economic openness.

Is Hainan a free trade zone?

China already has 22 free trade zones (FTZs), but Hainan represents a fundamentally different level of openness. Most FTZs are limited to specific urban areas and focus on upgrading local industries. Hainan has transformed an entire island into a unified free trade port, with its own customs, tax and regulatory system.
