Why should you buy a flip power bank?

Because of its smaller capacity, the Flip is exceptionally lightweight, portable, and quick to recharge. We often choose this power bank on our backpacking trips because it easily fits in any pocket and is not as cumbersome as most of the larger-capacity power banks.

Is Zendure a good power bank?

Offering a simple, streamlined design and easily one of our lineup's most portable power banks, the Zendure Super Mini 10000 is an excellent option for those who like to use their power bank on the go. During our tests, we found that the Zendure is one of the lightest models and it came in second place in the 10,000 mAh category.
