How many battery swap cabinets are there?

With rich industry experience, we have deployed more than 5,000 battery swap cabinets and put into use 65,000+ smart lithium batteries, providing convenient services for drivers in more than 35 countries around the world, helping clients build a profitable and scalable battery swap business.

How a battery swapping cabinet is managed by Shenrui?

Program Process ---- The battery operation data and the operation information of the battery swapping cabinet are uploaded to the cloud for management through the IOT module of the battery swapping cabinet Shenrui provides on-board VCU, vehicle control module, replacement battery BMS module, module and cloud platform data can be directly linked

What is a TYCORUN battery swap cabinet?

The swap cabinet uses intelligent charging strategies to optimize battery performance, with easy maintenance, real-time fault alarms. TYCORUN batteries are built for business swap applications, using top-tier cells that withstand high-frequency daily cycling, with shock resistance, high safety, and integrated smart 4G GPS.

Why do you need an electric motorcycle battery swap cabinet?

The electric motorcycle battery swap cabinet has been the perfect fit. Its modular design allows us to add more cabinets as our fleet expands, without requiring any major infrastructure changes. This scalability feature has saved us significant costs and allowed us to easily accommodate our growing number of electric motorcycles.

TYCORUN offers a comprehensive and efficient commercial battery swap cabinet solution, covering swap cabinets, batteries, electric two- and three-wheelers. The swap cabinet uses intelligent ...

The smart battery swap cabinet aims to solve the slow charging and charging safety problems of low-speed electric vehicle batteries, and solve the transportation capacity problem for high-frequency ...

Key Features
o Quick battery-swap
o Data monitoring
o Efficient operation
o Anti-Theft Tracking
o Intelligent management
o Safety protection
o Performance guarantee ...
