What are cellblock battery storage cabinets?

CellBlock Battery Storage Cabinets are a superior solution for the safe storage of lithium-ion batteries and devices containing them. Our practical,durable cabinets are manufactured from aluminum,and lined with CellBlock's Fire Containment Panels.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteriesand to protect them from the elements as well as providiing a line of defense against theft.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

Should you store lithium-ion batteries on-site?

The dangers of improperly storing lithium-ion batteries have been well-documented over the past decade. Without the right separation,climate,and safety measures in place,storing batteries on-site poses a dormant but potentially expensive and devastating threat to your work environment.
