Does sunwize Power & Battery offer custom enclosures?

Sunwize Power & Battery also offers custom enclosures to meet any specification. All Enclosures include rainproof design, electrical knockouts and ventilation. M Series Enclosures are pole-mounted enclosures featuring new battery storage capabilities and a hammered powder coat finish.

How can battery handling equipment help a forklift?

Keep scrolling to explore the Battery Handling Equipment that can boost safety, enhance efficiency, and improve throughput for your whole operation -- reducing time your forklifts spend in the battery room so they can go to work in the aisles. For help outfitting your forklift battery room, call the Solus Group sales team at 314-696-0200.

Are forklift batteries safe?

When you work with forklift batteries, safety comes first. That's why we offer a full range of safety tools, from Hydrogen Exhaust Fan Kits to all the Personal Protective Equipment operators need to defend against electrolyte splashes. In the event of a spill or boil-over, our Spill Kits and neutralizing sorbents provide quick, safe response.
