IP55Rated |24U |AC110V or 220V 2700BTU Cabinet Air Conditioner

Can telecommunications equipment be terminated outdoors?

One of the biggest challenges of terminating your telecommunications equipment outdoors is finding outdoor enclosures that will be able to properly withstand the elements. Temperature,moisture,ice,shock hazards,and UV damage are all potential dangers to consider before purchasing an outdoor enclosure or cabinet.

How is a telecom cabinet installed?

Installation: The cabinet is installed on-site,typically on a concrete pad or mounting base. All telecom equipment is configured and connected to the appropriate power sources and communication lines.
